the percentage of votes the candidate received in the general election.

(ii) *Initial determination.* In making a determination under 11 CFR 9004.9(f)(2)(i), the Commission will notify the candidate within 10 business days after its receipt of the statement of its initial determination that the candidate is not entitled to receive the full amount for which the candidate may be eligible. The notice will give the legal and factual reasons for the initial determination and advise the candidate of the evidence on which the Commission's initial determination is based. The candidate will be given the opportunity to revise the statement or to submit, within 10 business days, written legal or factual materials to demonstrate that the candidate has net outstanding qualified campaign expenses that entitle the candidate to post-election funds. Such materials may be submitted by counsel if the candidate so desires.

(iii) *Final determination.* The Commission will consider any written legal or factual materials submitted by the candidate before making its final determination. A final determination that the candidate is entitled to receive only a portion or no post-election funding will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the legal and factual reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(iv) If the candidate demonstrates that the amount of outstanding qualified campaign expenses still exceeds committee assets, the Commission will certify the payment of post-election funds to which the candidate is entitled.

(v) *Petitions for rehearing.* The candidate may file a petition for rehearing of a final determination under this section in accordance with 11 CFR 9007.5(a).

A candidate may demonstrate that an allocation method is reasonable even if either the primary or the general election committee is allocated less than one third of total winding down costs.
